Lansing, Mich., Nov. 23.—There were 31,027 automobiles owned in Wayne county and 1,826 owned in Shiawassee county, out of a total of 113,396 in the state, November 1, according to statistics compiled by Secretary of State Vaughan. Since the first of the month nearly 5,000 licenses have been issued and it is estimated that at least 25 per cent or a thousand licenses issued this month have gone to Wayne.

One person out of every 18 men, women and children in Shiawassee owns an automobile, according to the census of the county, which was 33,226 in 1910. This is at the ratio of an auto for every fourth family in the county, but as many men own two or three the ratio is probably about one to every six families.

Obituary.

Miss Martha Barrett was born in Burton, November 7, 1901, and passed away at her home north of Burton Wednesday evening, Nov. 17, 1915, at the age of 14 years and 10 days.

She was a bright and noble christian girl and was loved by all who knew her. She attended school until she was 11 years old, when failing health compelled her to give up her studies. She again started in November of last year and attended but one day of school when she contracted whooping cough from which an advanced case of tuberculosis set in from which she was a sufferer until her death. Amid the constant suffering and weakness she kept her faith with God and during the last few days she could hardly wait for Jesus to come and take her home in Glory. Her dying words were, "Jesus, come quick," and then passed away to reap the reward of the faithful. Our loss is Heaven's gain.

She leaves to mourn her loss her mother, one sister, step-father and several uncles and aunts.
